Re: FOIA request for information relating to nutrient reduction strategy grant to State of Louisiana.

To Whom It May Concern,

We are writing to request the following information under the U.S. Freedom of Information Act (FOIA): a copy of the grant awarded in 2012 by the U.S. Environmental Protection Agency to the state of Louisiana for the development of a state nutrient reduction strategy, as well as a copy of the proposal by the state for which the grant was awarded. The state proposal was in response to a Request for Proposals issued by the GMPO.

Sincerely,

A handwritten signature in cursive script that reads "Marylee Orr".
